

Obituary

Born: Monday, February 21, 1949

Died: Thursday, November 7, 2019

Electra Ann Frey, age 70, passed away November 7, 2019 at St. Luke Community Hospital in Ronan, MT. Electra was born February 21, 1949 in St. Ignatius, MT and was adopted by John and Electra Lockridge at 8 months old.

Electra graduated from Sentinel High School in 1967 and attended the University of Montana for 2 years. In 1969, Electra traveled to Neckarsulm, Germany and married her fiancé Dale Frey who was stationed there in the Army. It was in Germany that their son Gary was born.

Electra played the violin for 20 plus years with The Missoula Symphony Orchestra. In the last year she became a proud member of the Salish & Kootenai Tribe. Her interests included camping and the outdoors, swimming at Seeley Lake with her cousins, Charlo Garden Club, and Golden Retrievers. She had a strong faith in the Lord.

Electra is survived by her husband Dale Frey, son Gary John Frey (Chelsea), brother-in-law Gary Lee Frey, numerous biological brother and sisters, and many cousins, nieces, and nephews on both sides.

A big thank you to my sister-in-law Tracy McNair for all her help during this difficult time.

No services are planned at this time.
