**Born:** Saturday, April 29, 1950

**Died:** Friday, July 31, 2020

Vicki Lynn Rogers, a passionate Beatles fanatic, went to her ‘Strawberry Fields Forever’ surrounded by family as well as ‘The Fab Four’ on Friday, July 31st. As she took her broken wings and learned to fly, she was accompanied on her journey by a band of angels that included: her parents Raymond & Margaret Indermeuhle, aunt Illene Armstrong, Emmanuel & Marie Rogers, Allen Rogers, Little Buddha and her two sons Glenn Raymond and Mark Lee James.

‘Eight Days a Week’, she pursued her passion of giving ‘Help!’ to students within the Ronan School District for more than twenty years. In addition to being a crusader for students, she has also been a true champion and cheerleader for her entire extended family. Throughout her life, she loved them all - and she had so much love to give.

Ronan, MT 59864

She found the one whose hand she wanted to hold forever, and married her true love Glenn Rogers on May 16th 1970.

It seems like it was only ‘Yesterday’ that she was able to celebrate their 50th wedding anniversary that had the entire town of Ronan ‘Come Together’ in celebration.

She leaves behind her husband Glenn, her children Todd, Tammy & Chauncey Husted, her two ‘Little Darling’ granddaughters Ella-Lynn and Grace-Marie and numerous loving nieces and nephews... and of course... Bella The Cat.

As a family, we are all truly blessed that she chose us to ride with her on this ‘Yellow Submarine’.

Vicki’s love and joy was steadfast with family, friends, and faith. She firmly believed that in the end, the love you take is equal to the love you create.

There will be a celebration of Vicki’s life on Friday, August 7, 2020 at the Sacred Heart Church at 10:00 AM. In lieu of flowers, the family requests that a donation be made in Vicki’s honor to the Ronan Library or the Ninepipes Museum - two of her favorite organizations.
